DEADLINE FOR PAYMENT OF CURLING DUES AND APPLICATIONS – **OCTOBER 1, 2024**

SPARES – NOTE: The cost will only be \$5 per game spared. We use our current rules for spares which are:

- Spares must be placed on the spare list before they curl a game. A “last minute” spare is welcome but please have their name placed on the spare list as soon as possible.
- Registered spares may play any position. Names of spares are to be recorded on the scorecard and a \$5.00 fee is to be paid.
- Members from other BWL teams who spare must play lead. (they do not have to pay a spare fee)
- Any team using a non-registered player or do not pay spare fees must default the game.

All are welcome to be a spare for the BWL. It's a great way to meet other curlers and to gain some curling experience.

Curling Dates - Curling for the BWL will start **Tuesday, October 15th and Wednesday, October 16th.**

Club championship playdowns will be played on the Tuesday and/or Wednesday evening following the last scheduled game. Exact dates will be determined by the Executive.
